About Bob Ravenscroft

Ravenswave Recordings®, an audiophile jazz label, and composer-keyboardist Bob Ravenscroft are all about a lifelong dedication to making great acoustic jazz. Ravenscroft's style is sensitive and seasoned, but far-ranging and free. Ravenscroft's latest release, *Three Alone*, is a 2-disc, "triple hybrid" SACD. His previous CD and companion DVD, *The Bob Ravenscroft Trio at Taliesin West*, was recorded as an intimate evening in the Music Pavilion at Frank Lloyd Wright's famed enclave, Taliesin West. A portion of proceeds from all Ravenswave albums benefit educational programs and scholarship funds such as those of the non-profit Frank Lloyd Wright Foundation.
